### Recruiting

Great night last night at the IXDA networking event. They gave out stickers to everyone indicating if they were hiring or looking. It really facilitated breaking the ice. I have to say our biggest weakness in recruiting is awareness. Every singular person I spoke with had no clue we even existed or that we did [...]

### Stellar Opening Day Lineup at IXDA Conf

End of day one and my brain hurts. So much to take in, so much to comprehend, what a great opening day here at IXD11 in Boulder. The first four speakers in the morning just really set the bar high for all that follow. Bill Verplank kicked it off by drawing with crayons, sounds crazy, [...]
