We are here to help.

The image displays three identical rows of a social media profile card template. Each row consists of a square profile picture placeholder on the left, followed by the text 'Screen name' in a large, bold, blue font, and 'City, State' in a smaller, gray font to its right. Below the name and location, the text 'Last Posted on Sep 21, 2011' is shown in gray. Underneath this text are two rectangular buttons with a 3D effect, labeled 'Badge1' and 'Badge2' respectively. The entire set of three rows is contained within a light gray border.
