One thing I find challenging about winter is how to layer pieces and still look fashion forward. One of my go-to fall and winter must-haves is a plain long sleeve tee in bold color. The awesome thing about long sleeve tees is the versatility. You can dress them up by layering under a sexy, yet flattering sheath dress.

For the nights that I am checking out a band, I especially like to pair the tees with tailored vests and denim. I'm a big fan of anything timeless and I find that the added touch of the bow on this chain cross body bag is the perfect add-on for the jean/tee kind of day. The perfect shoe is essential in jazzing up your tee. These lace heels give you height and are comfortable.
